

## Camp Tallchief and Camp Wah-Shah-She

# core camping

## May 4-6 and June 8-10

**LEADERS** – want to bring your troop to camp without the responsibility of planning, organizing or leading their activities? Here's your chance! Girl Scout FAMILIES are also invited to spend a few days enjoying all that Camp Tallchief and Camp Wah-Shah-She have to offer. When you arrive at the camp you will receive a schedule that allows you to participate in swimming, boating, archery (if age requirement allows), arts and crafts, hikes, and other activities. Experienced staff will be at camp to supervise the activities. Take time to explore camp and enjoy the time with your group hassle-free. You will sleep in platform tents, cabins, yurts, covered wagons, at the lodge, or set up your own tents in a primitive area. Meals are provided in the dining hall.

### Fee per session:

**CHILDREN:** \$40 per child  
(includes use of the site and facilities, meals, staffing, snacks, patch, and t-shirt)

**ADULTS:** Free of charge for site and program fee. \$20 per adult for meals.

### Living Arrangements

To meet GSUSA requirements and to provide maximum supervision, troop leaders/adults in charge sleep in close but separate quarters. Sleeping arrangements vary depending on the session. See page 17-18 for facility descriptions.
